**Re: Request of Clifton Power Company on the Public Service Commission's
Jurisdiction of Electric Vehicle Charging Stations
Docket Number: 2021-210-E**

Letter Regarding Direct Testimony

Dear Ms. Boyd:

On March 31, 2022, the Clerk's Office issued a Prefile Testimony Letter instructing Applicant Clifton Power Company to file its direct testimony on or before May 9, 2022 and instructing the Office of Regulatory Staff and other parties of record to file their direct testimony on or before May 23, 2022. As of the date of this letter, Clifton Power Company has not filed direct testimony with the Commission and, therefore, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the "Companies") do not have a sufficient basis on which to prepare and file direct testimony. Accordingly, the Companies will not be filing direct testimony on May 23, 2022.

In the event Clifton Power Company or any other party to this docket should make a filing that affects or relates to the interests of the Companies, the Companies reserve their right as intervenors to make a responsive filing, which may include proffering responsive testimony for the Commission's consideration.

By copy of this letter, I am serving all parties of record via electronic mail.

Sincerely,

Katie M. Brown
